## Bottoms Up!

**“For That Perfect Slice of New York”**

*At Nations Best™, “Authentic New York Deli” Is What We’re All About.*

For a leaner alternative to brisket or navel, try our Cooked Corned Beef and Pastrami Rounds. Hand made with Nations Best™ family recipes dating back to 1922, our Bottom Rounds are known for being a leaner cut with exceptional tenderness.

But it’s the flavor, with a hint of garlic, you will remember.

*One taste, and you’ll know why we’re Nations Best™.*

### What Makes Our Bottom Rounds Taste Extra Special?

- **Hand Made:** We select, trim and cure by hand each Bottom Round to perfection!
- **Extended Cure Time:** We never rush the curing process. We mandate every piece of meat cures for the proper amount of time, so you and your customers will enjoy the best possible flavor, in every bite.
- **No Tumbling Here!** While others reduce cost by pulling extra moisture into their meats, we don’t. Tumbling causes the meat to become spongy and retain unnecessary water.
- **Outstanding Customer Service!** Let us provide the most satisfying cut of beef you want, custom trimmed and individually selected to your specifications.
