

Rosner's Oven-Roasted Turkey Breast

WHAT NEW YORK DELI IS ALL ABOUT...

Rosner's Oven-Roasted Turkey Breast

“Thanksgiving Turkey Anytime You Want It!” Simply Oven Roasted No Added Salt, Sugar, Preservatives or Anything

At Nations Best™, “Authentic New York Deli” Is What We’re All About.

Our Rosner’s Oven-Roasted Turkey Breast has that fresh, home-made taste – like it came right out of your oven!
Packed with natural juices under a golden brown skin, it’s the ideal Thanksgiving turkey, year round.

One taste, and you’ll know why we’re Nations Best™.

What Makes Our Rosner’s Turkeys Taste Extra Special?

- **Naturally Flavorful:** Slow roasted to perfection, thanks to special computerized technology that provides exceptional quality control in our manufacturing facility. *Now your customers can enjoy a naturally fresh, great-tasting, Oven-Roasted Turkey, without any added salt, sugar, seasonings or preservatives.*
- **Consistently Cooked to Perfection:** Our state-of-the-art ovens allow us to cook a perfect turkey, every time!
- **No Pump:** Only taste the fresh, natural turkey flavor – no additives are injected into these turkeys.
- **Only 2 Perfect Pieces:** Rosner’s Turkey Breasts intentionally include only the two breasts together, without any additional pieces, for optimal slicing and a quality presentation.
- **Great for Health Conscious & Salt-Sensitive Diets:** Especially appropriate for hospitals and other foodservice accounts with health and dietary concerns, since Rosner’s Turkey Breasts contain no added salt, sugar or preservatives.
